

**Draft scientific program 15.th Congress
Croatian Society for endoscopic Surgery
Vodice, 8th -11th June 2022.**

Might be subject to change

Četvrtak/Thursday 09.6.2022.

Dvorana I.

8,30-8,55	Program OTVARANJA / Opening ceremony
09:00-09:12	Hystorical lecture: Clinical Hospital „Sv. Duh“ Croatia: First laparoscopic cholecystectomy in Croatia - 30 years anniversary
09:15 – 10:45	Plenarna SJEDNICA / Plenary SESSION Kako izbjeći komplikacije/ How to avoid complications Moderatori / Chair: <i>Miloš Bjelović, Zdravko Perko, Aleš Tomažić</i>
13 min	Višnja Nesek Adam (Croatia): Patient positioning in laparoscopic surgery: tricks and tips
13 min	Giusto Pignata (Italy) Complications of laparoscopic gastrectomy
13 min	Arpad Ivanecz (Slovenia): How to avoid complications in laparoscopic liver resections?
13 min	Miha Petrič (Slovenia) How to avoid and manage intraoperative complications in minimally invasive pancreatic surgery
13 min	Josip Baković (Croatia): TAMIS advantages and limitations
7 min	Andrej Šribar (Croatia) Opioid free anesthesia in laparoscopic surgery: Has time come for a paradigm shift?

10:45 – 11:15	Pauza za kavu / Coffee break
----------------------	-------------------------------------

11:15 – 12:45	Edukacijski video - korak po korak / Educational video - Step by step Moderatori / Chair <i>Borna Kovačić, Josip Samardžić, Marko Zelić</i>
13 min	Giusto Pignata (Italy): Laparoscopic radical gastrectomy for gastric cancer
13 min	Miloš Bjelović (Serbia): Laparoscopic Approach to Paraoesophageal Hernia Repair (Lesson learned from JD Luketich)
13 min	Aleš Tomažić (Slovenia): How to perform spleen sparing laparoscopic distal pancreatectomy?
13 min	Arpad Ivanecz (Slovenia): Lap. left hepatectomy

13 min	Bojan Krebs (Slovenia): Splenic flexurae mobilisation - a must do for every left colic resection
7 min	Grosek J, Sever P, Košir JA, Tomažič A. (Slovenia) Structured implementation of robotic abdominal surgery at UMC Ljubljana-Slovenia

12:45-13:00	(sponsored lecture)
--------------------	----------------------------

13:00 – 14:30	Pauza za ručak / Lunch break
----------------------	-------------------------------------

Dvorana I

	SJEDNICA / SESSION
14:30-16:30	Gornji probavni trakt i barijatrijska kirurgija / Upper GI and bariatric surgery
14:30- 15:00	Bariatric surgery round table: <i>Panelists</i> Zdenko Boras, Davor Mendrila, Alen Pajtak, Domagoj Vergles
10 min	Javed Raza (Cleveland Clinic Abu Dhabi): How to establish new bariatric program?
10 min	Gregor Kunst (Slovenia): Development of bariatric surgery in GH Slovenj Gradec
10 min	Discussion

15:05-16:30	Session: Upper GI endoscopic surgery Chair: Zdenko Boras, Jakša Filipović Čugura, Davor Mendrila
13 min	Miloš Bjelović (Serbia): Laparoscopic radical gastrectomy for locally advanced gastric cancer
7 min	Tomaž Jagrič (Slovenia) Tips and tricks in laparoscopic gastric surgery
7 min	Dragan Gunjić (Serbia). Anastomosis after subtotal and total gastrectomy in the era of minimally invasive surgery
7 min	
7 min	

16:30 – 16:45	Pauza za kavu / Coffee break
----------------------	-------------------------------------

16:45 – 18:00	Naslov / Topic Kirurgija jetre, pankreasa i slezene/ Hepato-pancreatic and spleen surgery Moderatori / Chair Arpad Ivencz, Aleš Tomažić,
7 min	Aleksandar Gluhović (Serbia): Spleen preserving laparoscopic distal pancreatectomy
7 min	
7 min	
7 min	
7 min	
7 min	
7 min	
5 min	Discussion

Dvorana I	
18,00– 18:45	Godišnja skupština HDEK/ Annual Assembly Meeting HDEK

Dvorana II

14:30 -16:30	SJEDNICA / SESSION Hitna kirurgija/ Zanimljive teme u liječenju apendicitisa / Emergency surgery / Hot topics in appendicitis treatment Chair: Goran Augustin, Žarko Rašić, Josip Samardžić,
10 min	Srđan Mijatović (Serbia): Emergency surgery- challenges in safe application of minimally invasive approach
7 min	
7 min	
7 min	Samir Delibegović (Bosnia and Hercegovina): Is laparoscopic appendectomy a new golden standard
7 min	Ivan Romić (Croatia): Lavage versus aspiration alone in laparoscopic appendectomy for perforated acute appendicitis
7 min	Robert Kliček (Croatia): Interval appendectomy in complicated appendicitis: yes or not?
7 min	
7 min	
7 min	
7 min	
7 mn	
7 min	

16:30 -16:45

Pauza za kavu / Coffee break

16:45 – 18:00	SJEDNICA / SESSION Naslov / Topic Minimalno invazivna (video asistirana) torakoskopska kirurgija/ Minimally invasive thoracoscopic surgery Moderatori / Chair Ivan Bačić,
7 min	Barbara Petani (Croatia): Anesthesia for VATS
7 min	
7 min	Kristina Zrilić (Croatia): Anesthesia in VATS thymectomy
7 min	Matevž Srpčič, Boris Greif (Slovenia): Subxiphoid removal of large

	thymomas after VATS resection
7 min	Stjepan Jurčić, Ivan Erić, Rožić (Croatia) Rupture of the distal oesophageal portion-surgical treatment (case report)
7 min	
7 min	
5 min	Discussion

Petak/Friday 10.6.2022.

Petak 10.06.2022.

Dvorana I.

8:30 - 10:30	SJEDNICA / SESSION Naslov / Topic Kolorektalna kirurgija I. / Colorectal surgery I. Moderatori / Chair: Samir Delibegović, Igor Stipančić, Marko Zelić,
13 min	Emre Balik (Turkey): Nightmare and real life in colorectal surgery (video)
7 min	Zdravko Perko (Croatia) Minimally invasive rectal surgery: Lap. TME, NOSE, TAMIS, Ta-TME: when and why?
7 min	Bojan Krebs (Slovenia): Late anastomotic leakage after laparoscopic low anterior resection for rectal cancer - very serious complication.
7 min	Josip Baković (Croatia): How to manage patients with R1 resection after TME for rectal cancer?
13 min	Emre Balik (Turkey): Watch and wait policy after complete response to radiotherapy in rectal cancer?
7 min	Igor Krdžić (Serbia): Laparoscopic right hemicolectomy - oncological principles and technical pitfalls
7 min	Mario Knežević (Croatia): Anastomotic failures: air leak, incomplete donuts, stapler failures what to do?
7 min	
7 min	
7 min	
7 min	

10:30 – 11:00	Pauza za kavu / Coffee break
----------------------	-------------------------------------

11:00 – 13,00	SJEDNICA / SESSION Naslov / Topic Kirurgija žučnjaka i žučnih putova/ Gallbladder and bile duct surgery Moderatori / Chair Žarko, Rašić, Ivica Stojanović, Dražen Vidović
12 min	Ivica Madžar (Croatia) Laparoscopic management of bile duct stones: when and how? (Video step by step)
7 min	

7 min	Zdravko Perko (Croatia): Is cholecystectomy indicated after ERCP with papillotomy?
7 min	Tihomir Kekez (Croatia): Management of acute cholecystitis: staying out of trouble.
7 min	
7 min	Robert Kliček (Croatia): Management of ac. Cholecystitis: national Croatian survey.
7 min	
7 min	
7 min	
7 min	
7 min	
7 min	
5 min	Discussion
13:00 – 14:30	Pauza za ručak / <i>Lunch break</i>

Dvorana I

14:30-16:00	SJEDNICA / SESSION Naslov / <i>Topic</i> Kolorektalna kirurgija II. / Colorectal surgery II. Moderatori / <i>Chair</i> Borna Kovačić, Zdravko Perko, Dražen Vidović
7 min	Mario Knežević (Croatia): Rectal prolapse- literature review, case report (video)
7 min	Alen Pajtak (Croatia): TAMIS should we close the defect or not?
7 min	
7 min	
7 min	
7 min	
7 min	
7 min	
7 min	

16:00 -16:30	Pauza za kavu / <i>Coffee break</i>
---------------------	--

Dvorana II

14:30- 16:00	SJEDNICA / SESSION Naslov / Topic Kirurgija kila trbušnog zida/ Abdominal wall hernia Moderatori / Chair Goran Augustin, Jakša Filipović, Ivo Soldo,
7 min	Fedor Amić (Croatia) Does type of mesh or mesh fixation lead to recurrence?
7 min	(Kristijan Ćupurdija) Testicular and sexual function after TEP, TAPP and Lichtenstein inguinal hernia repair.
7 min	Goran Glavčić (Croatia) TEP vs Lichtenstein: recovery, recurrence and expenses
7 min	Josip Samardžić (Croatia) Is there a real and evidence-based benefit of laparoscopic inguinal hernia repair?
7 min	Tatjana Gelebeševa Mateska, Matic Avguštin, Tomaž Jakomin, Valentin Sojar (Slovenia): Transabdominal preperitoneal inguinal hernia repair as a day surgery practice
7 min	Marjan Tepeš: (Croatia): eTEP Rives-Stoppa repair of ventral hernias
7 min	Kristijan Ćupurdija (Croatia): Close vs non close of hernia defect during lap ventral hernia repair with mesh
7 min	
7 min	

16:00 -16:30	Pauza za kavu / Coffee break
---------------------	-------------------------------------

16:30- 17:30	SJEDNICA / SESSION Naslov / Topic Anestezija u minimalno invazivnoj kirurgiji/ Anesthesia in MIS Moderatori / Chair: Višnja Neseck Adam,
7 min	
7 min
