

Scientific program 15.th Congress Croatian Society for endoscopic Surgery

Vodice, 8th -11th June 2022.

Srijeda 08.06.2022.

Welcome reception at 20,00h

Location: by the pool in front of Olympia hotel

Četvrtak/Thursday 09.6.2022.

Dvorana I.

8,30-8,55	Program OTVARANJA / Opening ceremony
09:00-09:12	Historical lecture: Clinical Hospital „Sv. Duh“Croatia: First laparoscopic cholecystectomy in Croatia - 30 years anniversary
09:15 – 10:45	Plenarna SJEDNICA / Plenary SESSION Kako izbjeći komplikacije/ How to avoid complications Moderatori / Chair: <i>Miloš Bjelović, Zdravko Perko, Aleš Tomažić</i>
13 min	Višnja Neseck Adam (Croatia): Patient positioning in laparoscopic surgery: tricks and tips
7 min	Mihajlo Lojpur (Croatia): Posebnosti anestezije u laparoskopskoj kirurgiji
13 min	Giusto Pignata (Italy): Complications of laparoscopic gastrectomy
13 min	Arpad Ivanecz (Slovenia): How to avoid complications in laparoscopic liver resections?
13 min	Miha Petrič (Slovenia) How to avoid and manage intraoperative complications in minimally invasive pancreatic surgery
7 min	Andrej Šribar, Jasminka Peršec (Croatia) Opioid free anesthesia in laparoscopic surgery: Has time come for a paradigm shift?
10:45 – 11:00	Pauza za kavu / Coffee break

11:00 – 12:45	Edukacijski video - korak po korak / Educational video - Step by step Moderatori / Chair Borna Kovačić, Arpad Ivanecz, Marko Zelić
13 min	Giusto Pignata (Italy): Laparoscopic radical gastrectomy for gastric cancer
13 min	Miloš Bjelović (Serbia): Laparoscopic Approach to Paraesophageal Hernia Repair (Lesson learned from JD Luketich)
13 min	Aleš Tomažič (Slovenia): How to perform spleen sparing laparoscopic distal pancreatectomy?
13 min	Arpad Ivanecz (Slovenia): Lap. left hepatectomy
13 min	Bojan Krebs (Slovenia): Splenic flexurae mobilisation - a must do for every left colic resection
10 min	Ivica Madžar (Croatia) Laparoscopic management of bile duct stones: when and how? (Video step by step)
7 min	Jan Grosek, Primož Sever, Jurij Aleš Košir, Aleš Tomažič (Slovenia) Structured implementation of robotic abdominal surgery at UMC Ljubljana-Slovenia

12:45-13:00	(sponsored lecture)
--------------------	----------------------------

13:00 – 14:30	Pauza za ručak / Lunch break
----------------------	-------------------------------------

Dvorana I

14:30-16:00	SJEDNICA / SESSION Gornji probavni trakt i barijatrijska kirurgija / Upper GI and bariatric surgery
14:30- 15:00	Bariatric surgery round table: <i>Panelists</i> Zdenko Boras, Davor Mendrila, Alen Pajtak, Domagoj Vergles
10 min	Javed Raza (Cleveland Clinic Abu Dhabi): How to establish new bariatric program?
10 min	Gregor Kunst (Slovenia): Development of bariatric surgery in GH Slovenj Gradec
10 min	Discussion

15:00-16:15	Session: Upper GI endoscopic surgery Chair: Zdenko Boras, Jakša Filipović Čugura, Davor Mendrila
13 min	Miloš Bjelović (Serbia): Laparoscopic radical gastrectomy for locally advanced gastric cancer
7 min	Tomaž Jagrič (Slovenia) Tips and tricks in laparoscopic gastric surgery
7 min	Dragan Gunjić (Serbia). Anastomosis after subtotal and total gastrectomy in the era of minimally invasive surgery
7 min	Jankovic Suzana, Misir Zvonimir, Glavčić Goran, Filipović -Čugura Jakša (Croatia): How we do it? Video presentation of procedures and techniques in upper GI tract laparoscopic surgery
7 min	Matevž Srpčič, Boris Greif (Slovenia): Avoiding pitfalls in minimally invasive esophagectomy
7 min	Jakov Mihanović, Ivan Bačić, Ivo Čoza, Nediljko Jović, Ivan Rakvin, Domagoj Morović, Zvonimir Katušić, Dario Vukosav, Emilio Dijan (Croatia): Laparoscopic surgery in esophagogastric junction benign condition: our 5 - years' experience
7 min	Andrija Karačić, Ivo Soldo, Tihomir Grgić, Žarko Rašić, Morana Jaganjac (Croatia): Laparoscopic sleeve gastrectomy: Introduction by a multidisciplinary team for the treatment of morbid obesity- A single-centre experience
10 min	Discussion

16:15 – 16:30	Pauza za kavu / Coffee break
----------------------	-------------------------------------

16:30 – 18:00	Naslov / Topic Kirurgija jetre, žučnjaka i žučnih putova, pankreasa i slezene/ Hepato-pancreatic, gallbladder, bile duct and spleen surgery Moderatori / Chair Petar Matošević, Aleš Tomazić, Žarko Rašić
7 min	Lana Nejašmić Bulić (Croatia): Antiemetics pharmacology and rational usage in endoscopic surgery
7 min	Aleksandar Gluhović (Serbia): Spleen preserving laparoscopic distal pancreatectomy
7 min	Valentino Lisek, Josip Baković, Mario Knežević, Igor Stipančić, (Croatia): Laparoscopic splenectomy- our experience
10 min	Blaž Trotovšek (Slovenia) Video assisted retroperitoneal debridment.
10 min	Discussion
7 min	Zdravko Perko, Jasenka Kraljević, Marija Ana Perko (Croatia): Is cholecystectomy indicated after ERCP with papillotomy?
7 min	Tihomir Kekez (Croatia): Management of acute cholecystitis: staying out of trouble.
7 min	Robert Kliček, Josip Baković, Mario Knežević, Adrijana Perkunić, Ana

	Andrilović, Ida Tješić- Drinković, Igor Stipančić (Croatia): Management of acute cholecystitis: National Croatian survey.
7 min	Jakov Mihanović, Ivo Čoza, Nediljko Jović, Ivan Rakvin, Zvonimir Katušić, Dario Vukosav, Emilio Dijan, Bernarda Bakmaz, Ivan Bačić (Croatia): Near- miss common bile duct injury during laparoscopic cholecystectomy- The importance of anatomic landmarks and critical view of safety in a hostile gallbladder- Report of case with surgical video analysis
10 min	Discussion

Dvorana I	
18,00– 18:45	Godišnja skupština HDEK/ Annual Assembly Meeting HDEK

Free night

Petak/Friday 10.6.2022.

Dvorana I.

8:30 - 10:30	SJEDNICA / SESSION Naslov / Topic Kolorektalna kirurgija I. / Colorectal surgery I. U suradnji s Hrvatskim društvom za ubrzani oporavak nakon kirurškog zahvata (CRO-ERAS) Moderatori / Chair: Samir Delibegović, Igor Stipančić, Marko Zelić,
7 min	Zdravko Perko (Croatia) Minimally invasive rectal surgery: Lap. TME, NOSE, TAMIS, Ta-TME: when and why?
7 min	Josip Baković (Croatia): TAMIS advantages and limitations
7 min	Alen Pajtak (Croatia): TAMIS should we close the defect or not
13 min	Emre Balik (Turkey): Watch and wait policy after complete response to radiotherapy in rectal cancer?
7 min	Josip Baković (Croatia): How to manage patients with R1 resection after TME for rectal cancer?
7 min	Mario Knežević, Josip Baković, Robert Kliček, Valentino Lisek, Daniel Džajić, Jakov Mamić, Igor Stipančić (Croatia): Anastomotic failures: air leak, incomplete donuts, stapler failures what to do?
7 min	Bojan Krebs (Slovenia): Late anastomotic leakage after laparoscopic low anterior resection for rectal cancer - very serious complication
7 min	Damir Karlović, Dorian Kršul, Marko Zelić (Croatia): TaTME procedura (transanal total mesorectal excision) kod niskog karcinoma rektuma- iskustvo jednog centra
13 min	Emre Balik (Turkey): Nightmare and real life in colorectal surgery (video)
7 min	Tea Banić, Lucija Brkić, Tihomir Kekez, Rudolf Radojković: Haemorrhagic shock following a right hemicolectomy in a Jehovah's Witness (student presentation)
	Discussion

10:30 – 11:00	Pauza za kavu / Coffee break
----------------------	-------------------------------------

11:00 – 13,00	SJEDNICA / SESSION Naslov / Topic Hitna kirurgija/ Zanimljive teme u liječenju apendicitisa / Emergency surgery / Hot topics in appendicitis treatment
----------------------	---

	Moderatori / Chair , Ivo Soldo, Ivica Stojanović, Toni Kolak
13 min	Srđan Mijatović (Serbia): Emergency surgery- challenges in safe application of minimally invasive approach
7 min	Samir Delibegović: (Bosnia and Hercegovina): Is laparoscopic appendectomy a new golden standard
7 min	Ivan Romić (Croatia): Lavage versus aspiration alone in laparoscopic appendectomy for perforated acute appendicitis
7 min	Robert Kliček, Josip Baković, Mario Knežević, Adrijana Perkunić, Ana Andrić, Igor Stipančić (Croatia): Interval appendectomy in complicated appendicitis: yes, or not?
7 min	Marko Lovrić, Bojan Trogrlić, Dejan Hil, Ivan Šerić, Borna Kovačić (Croatia): Laparoscopic appendectomy between 1 January 2021 and 31 December 2021 at University Hospital Centre Osijek- residents vs expert surgeons
7 min	Jakov Mihanović, Ivo Čoza, Nediljko Jović, Ivan Rakvin, Zvonimir Katušić, Dario Vukosav, Emilio Dijan, Iva Pavić, Ivan Bačić (Croatia): Rare compression syndromes in abdominal surgery and minimally invasive surgical treatment: Reports of superior mesenteric artery syndrome and median arcuate ligament syndrome
10 min	Discussion

13:00 – 14:30	Pauza za ručak / Lunch break
----------------------	-------------------------------------

14:30-15:30	SJEDNICA / SESSION Naslov / Topic Kolorektalna kirurgija II. / Colorectal surgery II. Moderatori / Chair Borna Kovačić, Tihomir Kekez, Zdravko Perko,
7 min	Igor Krdžić (Serbia): Laparoscopic right hemicolectomy - oncological principles and technical pitfalls
7 min	Bojan Trogrlić, Borna Kovačić (Croatia): ICG imaging: trend or golden standard?
7 min	Mario Knežević, Josip Baković, Robert Kliček, Valentino Lisek, Daniel Džajić, Jakov Mamić, Igor Stipančić (Croatia): Rectal prolapse- literature review, case report (video)
7 min	Branko Bakula, Saša Palček, Jure Brkić, Marko Sever, Ivan Šimović, Nikola Antolić, Fran Rašić (Croatia): Slow transit constipation- when does it become a surgical problem?
7 min	Dorian Kršul, Damir Karlović, Marko Zelić (Croatia): Uloga fistuloskopije u sfinkter poštednim tehnikama kod liječenja analnih fistula

10 min	Discussion
--------	-------------------

15:30 -15:45	Pauza za kavu / Coffee break
---------------------	-------------------------------------

15:45 – 17:45	SJEDNICA / SESSION Naslov / Topic Minimalno invazivna (video asistirana) torakoskopska kirurgija/ Minimally invasive thoracoscopic surgery Moderatori / Chair Ivan Bačić, Joško Juričić, Josip Pejić
7 min	Barbara Petani (Croatia): Anesthesia for VATS
7 min	Ivan Bačić, Domagoj Morović, Ivan Kovačić, Barbara Petani, Kristina Zlilic(Croatia): VATS segmentectomy- indications and limitations
7 min	Ivan Kovačić, Domagoj Morović (Croatia): VATS treatment of mediastinal tumors
7 min	Kristina Zlilic (Croatia): Anesthesia and VATS thymectomy
7 min	Matevž Srpčič, Boris Greif (Slovenia): Avoiding pitfalls in minimally invasive esophagectomy
7 min	Dragan Krnić, Joško Juričić, Ivan Šimundža, Marko Matijević (Croatia): The evolution of minimally invasive thoracic surgery in University Hospital Split
7 min	Marko Matijević, Dragan Krnić, Joško Juričić, Ivan Šimundža (Croatia): Ruptured giant pulmonary cyst - VATS treatment
7 min	Stjepan Jurčić, Ivan Erić, Rožić (Croatia) Rupture of the distal oesophageal portion-surgical treatment (case report)
7 min	Joško Juričić , Dragan Krnić, Ivan Šimundža, Marko Matijevic (Croatia): VATS in treatment of covid 19 patients with tension pneumomediastinum
7 min	Ivan Šimundža, Dragan Krnić, Joško Juričić, Marko Matijević (Croatia): Ectopic parathyroid adenoma- left sided VATS
7 min	Josip Pejić, Josip Bubnjar, Boris Bevanda, Dino Bešić (Croatia): Pectus excavatum repair in Clinical Hospital Dubrava
10 min	Discussion

Dinner at 20,00h in restaurant in Olympia hotel

Party at 22,00h in hotel disco

Subota/Saturday 11.06.2022.

Dvorana I

09:30- 11:30	SJEDNICA / SESSION Naslov / Topic Kirurgija kila trbušnog zida II. / Abdominal wall hernia II. Moderatori / Goran Augustin, Jakša Filipović Čugura, Alen Pajtak
7 min	Josip Samardžić (Croatia) Is there a real and evidence-based benefit of laparoscopic inguinal hernia repair?
7 min	Ivan Ćorić, Marko Zelić, Damir Karlović, Ante Jerković, Ivica Ćepić (Croatia): Usporedba TEP procedure i Lichtenstein metode kod liječenja ingvinalnih hernija- naše petogodišnje iskustvo
7 min	Goran Glavčić (Croatia) TEP vs Lichtenstein: recovery, recurrence, and expenses
7 min	Kristijan Ćupurdija, Fedor Amić, Domagoj Vergles, Toni Kolak, Jakov Mamić, Matej Andabak, Dario Kožul, Mario Soldo (Croatia): Closure vs non closure of hernia defect during laparoscopic ventral hernia repair with mesh
7 min	Fedor Amić, Mislav Rakić, Antonija Đuzel, Domagor Vergles, Kristijan Ćupurdija (Croatia) Does type of mesh or mesh fixation lead to recurrence?
7 min	Fedor Amić, Mislav Rakić, Antonija Đuzel, Valentino Lisek, Kristijan Ćupurdija (Croatia): Chronic groin pain after hernia repair: treatment options
7 min	Antonija Đuzel, Kristijan Ćupurdija, Fedor Amić, Toni Kolak, Jakov Mamić, Matej Andabak, Dario Kožul, Mario Soldo, Domagoj Vergles (Croatia): Testicular and sexual function after TEP, TAPP and Lichtenstein inguinal hernia repair
7 min	Marjan Tepeš (Croatia): eTEP Rives-Stoppa repair of ventral hernias
7 min	Marko Sever, Branko Bakula (Croatia): Nove metode liječenja dijastaze ravnih trbušnih mišića
7 min	Tatjana Gelebeševa Mateska, Matic Avguštin, Tomaž Jakomin, Valentin Sojar (Slovenia): Transabdominal preperitoneal inguinal hernia repair as a day surgery practice
7 min	Ivo Soldo, Nikola Antolić, Matija Hadžić, Tihomir Grgić, Martin Grbavac (Croatia): Laparoscopske hernioplastike: Iskustva 2018.- 2022.
7 min	Zvonimir Misir (Croatia) Extended totally extraperitoneal repair (eTEP) for ventral hernias
10 min	Discussion
10 min	Closing words and farewell
